

You need:
VW template,
felt, cotton wool,
embroidery thread,
needle, scissors,
pins and pen.

1

Cut out VW template.

Pin cut out to felt.

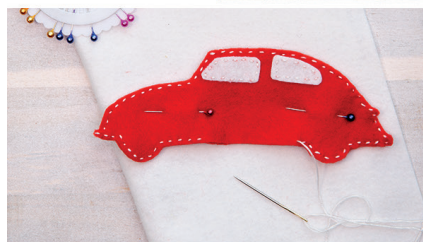

Cut around VW template.
Repeat to make two sides.

3

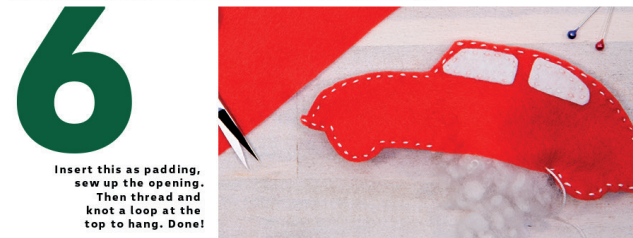

Cut out windows
and sew them onto the car.

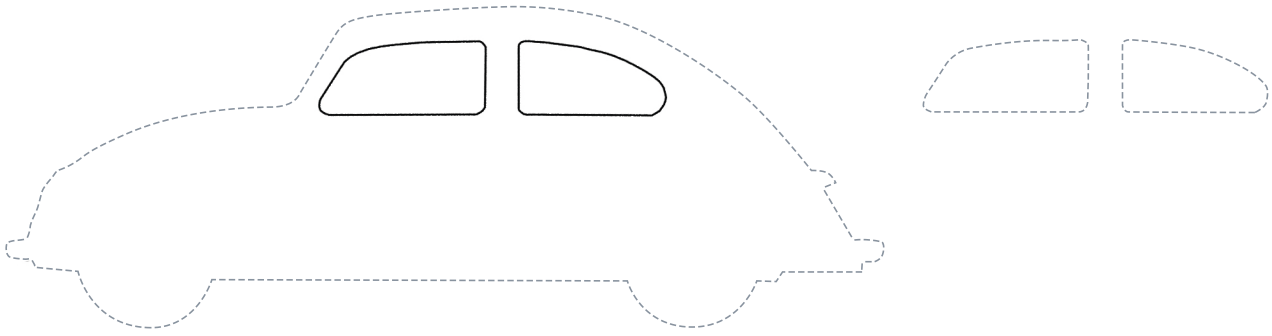

Sew together, keeping
in place with pins and
leaving a small opening
for the cotton wool.

5

Insert this as padding,
sew up the opening.
Then thread and
knot a loop at the
top to hang. Done!

**You need:**

Volkswagen Beetle template, felt in two colours, cotton wool, embroidery thread, needle, scissors, pins and pen.

How to:

Print and cut out Volkswagen template.

Pin Beetle template to the first felt and cut it accordingly.

Repeat to make two sides.

Cut out the windows from the second felt and sew them onto the car.

Pin the two sides together, sew with a decorative stitch of your liking but leave a small opening to insert the cotton wool.

Insert the cotton wool and sew up the opening.

Then thread and knot a loop at the top to hang.

You are done!
